Great concept, awful game.

2010 has some memes. Game of the year!

Good quiz... I think...

Save me

. There is one way to describe this game: Garbage.

[If you have \\$100.79, just go and buy a drink of water. You'll get better entertainment from that.](#)

[I stumbled upon this game through the "simulators" page on steam and it's a compliment to call it a game, let alone a simulator.](#)

[0/10 slav simulation](#)

[UPDATE: WALLPAPER DLC HAS BEEN RELEASED ITS A REVOLUTION IN GAMING FOR THE SECOND TIME THEY'VE DONE IT AGAIN BOYS. I think that's one of the best games I've ever played.](#)

[Avant-garde style of the art, nice music, an interesting quiz with tricky questions.](#)

[I'd give this game 10 launched startups of 10.. Great memeio with funny looking achievements](#)

[10/10 still cant find that \u2665\u2665\u2665\u2665ing easy ending achievement](#)

Is this Crisis?. mental memeory. **Garbage.. This "game" is absolutely horrible.**

It pretty much just contains a bunch of strange questions with mediocre translation over a few ugly background pictures and one repeating soundtrack.

I have no clue what the developers even thought when they made this...
