Title: Crazy Machines 2 - Jewel Digger DLC

Genre: Casual, Strategy

Developer:

Fakt Software

Publisher:

Viva Media

Release Date: 3 Jul, 2014

b4d347fde0

English, German

---

Jewel Digger is a small stuff DLC. Though not only it has new elements and 8 puzzles, it also bring a new mine background theme in. Which is good. And bad, because it doesn't have any music, at all. Quite strange.

And hey, at least puzzles were nice this time, they even all had bonus objectives and nice info. And I sure can see potential of user-made labs there too.. Jewel Digger is a small stuff DLC.
